Attention to Orders

Lutheran Military Veterans & Families Ministries (LMVFM) provides free care, counseling, programs and services to military veterans, contractors and their family members. What separates LMVFM from the VA, and many other well-known military support charities is that:

- LMVFM has never turned away any veteran, contractor or their family members for any reason.
- All LMVFM programs and services are FREE to our clients.
- LMVFM is first and foremost a Christian ministry.

As a Christian ministry, LMVFM does **not** accept or receive any local, state or federal government support, funds or assistance. Our funding comes from ministry partners, individuals, churches, groups, organizations and LMVFM training programs and fundraising events.
